SHANNON SCHOLTZ

TO WHOM IT MAY CONCERN

10 April 2015

Dear Sir / Madam

I am writing to you with regards to the position available as advertised by you. At this time I am pursuing my Diploma in Information Technology at Cape Peninsula University of Technology. Within this course I am focusing on software development and I am interested in working for your organisation.

Previously obtained a Certificate in Computer Technical Support with Distinction at Rosebank college.

As a student I have been given assignments that tested my skills and abilities thus far, which allowed me to develop stronger interpersonal skills and focus on what I need to improve on with regard to myself.

These experiences have allowed me to develop time management and organisational skills, which I see to be very important when seeking a job in the Information Technology field while continuing to study.

I am eager to develop my professional skills and I look forward to an opportunity for an interview on the above position. I can be contacted after 1pm daily on 0824835741.

Kind regards

Shannon Scholtz
